Board Responsibility

Section Chair - Steve

What activities have you (and your team) completed in the last month ?

AOG.

What are your goals for next month ?

Online Marketing

What blockers are currently preventing you from achieving your goals? How can the Board help?

Covid-19

Do you need more assistance to get next month's goals completed ?

Yes - I need additional help

Is there anything else you would like to raise with everyone at this month's Board Meeting? Or any Decisions you need the Board to make?

Online activity ideas for the next 3 months.

Board Responsibility

Facilities Group - Dean

What activities have you (and your team) completed in the last month ?

AOG Knowledge Forum - Organised and chaired AI & Robotics session. Approx 200 attendees with positive feedback.

Organized Subsea dropped objects learning and networking evening, unfortunately had to postpone due to COVID-19.

What are your goals for next month ?

Understand the impact of COVID-19 on our 2020 Facilities Group events plan.

Commence preparation for May session (optimistically).

What blockers are currently preventing you from achieving your goals? How can the Board help?

Still require additional sponsorship to support 2020 events plan. Keen for an update on Wood sponsorship.

Do you need more assistance to get next month's goals completed ?

Yes - I need additional help

Is there anything else you would like to raise with everyone at this month's Board Meeting? Or any Decisions you need the Board to make?

We need to agree an aligned position on COVID-19 impact to our events. e.g. No f2f events in March and April, then monitor for May.

Do we want to pursue online only SPE events?

Board Responsibility	APOGCE 2020 - Matt
What activities have you (and your team) completed in the last month ?	Chevron sponsorship signed - payment in progress. checked in with all the sub-committees (social, exhibit, education).
What are your goals for next month ?	April engagements a) remote technical committee (selecting papers) with SPE staff b) remote conduct committee meeting with staff c) deciding on a course ahead when current business environment is terrible.
What blockers are currently preventing you from achieving your goals? How can the Board help?	Low oil price is going to make running and exhibit very hard. also are training courses able to be run?
Do you need more assistance to get next month's goals completed ?	Yes - I need additional help
Is there anything else you would like to raise with everyone at this month's Board Meeting? Or any Decisions you need the Board to make?	no
